For organizations can be write invoice, upon request.

1 EUR will be donated to the Latvian Cycling Youth Fund for each participant who applied for the competition, except for the participants of the children's competition.

7. Individual scores

- Winners and runners-up will be determined based on the age groups stated in article (4) of the regulations; exempt from this rule is the Nature Watcher (DV) group.
- Winners and runners-up will be determined from the overall scores of 2 and 3 laps distances.
- Participants with valid Cycling for All (19-34 years of age) and Master (35 and above) licences, as well as junior licences who participate in the 3 laps cycling distance for men and 2 laps cycling distance for women will be judged separately within the LCF (LFR) national MTB rank.

8. Daugulis un Partneri Team scores

- The winners and runners up of the overall team scores will be determined separated within the competition's two and three lap's distances. Team's score is calculated if there are at least 3 members in the team.
- An unlimited number of participants, both men and women can sign up for a team, however, the team's score is based on the times of the top 3 participants of each team.
- The winner is the team with the lowest overall time.
- The team is assembled via registering for the competition on cyclingforall.lv pre-registration system. Team is identified by the same registration name. No changes will be made in the team records after the end of the pre-registration period and on the day of the competition. The chance to choose a pre-existing team or to register a new one will be open only to new participants who sign up for the competition on the day

9. Awards

- First three places will be awarded with a special design medal and a potential prize from the sponsors.
- Men who cycle 3 laps and women who cycle 2 laps within the main XC distance will be awarded with a potential prize from the sponsors and with the following premiums:
 - 1st place – 70,00 EUR
 - 2nd place – 50,00 EUR
 - 3rd place – 30,00 EUR

Premiums will be paid in non-cash through a bank transfer to the account as specified and supplied by the participant. Premium recipients are personally responsible for the potential income tax deductions if applicable, as stated according to tax legislation.

- All of the participants of children's competition will be awarded with potential prizes from the sponsors.
- The three best teams separated within two and three lap's distances will be awarded with prizes from the "Daugulis un Partneri" and other possible sponsors and contributors.

10. Notice to the participants!

- Scores of the competition are recorded via electronic ProChip timing system, except for children's competition participants born in 2022 and younger. Each XC participant is issued with a ProChip, that is to be attached to the frame or the bicycle fork as close to the ground as possible. In the case of displacement of the ProChip, participant is liable to cover the cost, amount of which is 40 EUR.
- All the participants **must** wear a **protective helmet**. The protective helmet must be correctly fastened and worn at all times during the race part of the competition. It is forbidden to attach any hard items to the protective helmet (video cameras and so on and so forth).
- Even though the route is modelled on a naturally formed terrain, many parts of it are dangerous. Therefore, follow the warning signs and pay attention to the route, as well as choose a suitable speed and evaluate your skills when overcoming the challenges!
- Each participant is personally liable to ensure an appropriate state of health and the eligibility for the competition of themselves or the minor in their care and is personally liable to follow the general road safety rules and the regulations of the competition as confirmed by his/her signature upon signing-up for the competition. If this assurance cannot be guaranteed, it is advised to choose the shortest possible distance among the ones provided.
- Application forms of minors have to be completed and signed by the parent/s or the legal guardian.
- Organisers and any other legal entities (human and non-human) involved in organising this competition are not responsible for any intentional, unintentional, unforeseeable or foreseeable physical and/or material losses of the participants, that take place before, during and after the competition. Organisers are not responsible for potential collisions, falls, injuries or other accidents that take place on the route during competition.
- By confirming their participation in the competition with a signature on the application form, participants refuse to make any claims towards organisers and/or any other legal entities (human and non-human) involved in organising the competition in the case of an accident or a material loss and do not attempt to take matters to court or other entity in order to recover their losses, and agree to the terms and conditions of the competition regulations.
- Participants have to familiarise themselves with the competition regulations. Failure to do so does not exempt the participants from personal liability.
- By signing-up for the competition, participant agrees to the processing of personal data for the competition purposes, in order to ensure objective competition results it is necessary to indicate participant's name, surname, sex, date of birth and the chosen distance. Other types of data can be freely provided if a participant so wishes.
- By signing-up, participants agree that photos and video materials made/recorded during the competition can be used by the organisers for various purposes, for publicity, as well as for publicity in various types of mass media, social media and so on and so forth.
